

REVISED Notice of Public Hearing Update to the Recommended Greenhouse Gas Thresholds of Significance

March 19, 2020

To: Interested Parties

The Board of Directors of the Sacramento Metropolitan Air Quality Management District (Sac Metro Air District) will hold a public hearing on an Update to the Recommended Greenhouse Gas Thresholds of Significance during its April 23, 2020, regularly scheduled meeting, which starts at 9 a.m.

In order to assist Lead Agencies in complying with the California Environmental Quality Act (CEQA), the Sac Metro Air District Board will consider adopting updated recommended thresholds of significance for greenhouse gas analysis and determination of project impacts.

Documentation on the updated thresholds may be downloaded from the SMAQMD's website:
