- L. The Board evaluated Rule 468 to determine whether it is exempt from California Environmental Quality Act (CEQA) under Section 15038 of the State CEQA Guidelines, as an action by a regulatory agency for the protection of the environment and under Section 15061(b)(3) of the State CEQA Guidelines, as an action for which it can be seen with certainty that there is no possibility the action may have a significant adverse effect on the environment.
