Dear Mr. Josiassen:

Thank you for submitting the revisions to the Sacramento Valley Air Basin Smoke Management Program, as adopted at your June 8, 2007 public hearing. The purpose of this letter is to approve these revisions, which reflect minor technical changes to the acreage allocation calculations to reflect the revised federal 24-hour PM2.5 standard and changes to monitoring locations. I appreciate your efforts to keep the Air Resources Board staff involved in the development of these updates.

If you have any questions or comments, please call Linda C. Murchison, Chief, Planning and Technical Support Division at (916) 322-5350, or via e-mail at lmurchis@arb.ca.gov.

Sincerely,

Tom Cackette
