

**DRAWINGS REQUIRED:**

Drawings should be submitted on 8-1/2" X 11" sheets or larger (Satellite view of Google Maps or other commercial mapping software is acceptable). Drawings must clearly show the required information but do not need to be professionally drawn. All drawings should be drawn with north facing up and to scale.

**Nearby Buildings:**

Submit a drawing showing all buildings affecting the exhaust stack or point of release. The area of influence for a building is defined as the area within 5 times the lesser of the height or width of a building. For each building, the drawing must show length, width, and height of the building, and distance to exhaust stack or point of release.

**Property Line:**

Submit a drawing showing the exhaust stack in relation to the property line. The drawing must be drawn to scale, with North facing up, and must show the entire property.

**Receptors:**

Submit a drawing showing residential and commercial buildings surrounding the property. Indicate the distance from the stack/point of release to the residential/commercial buildings.
