Stack Information:
- Stack height (ft): ________________
- Stack diameter (in): ________________
- Stack gas velocity (ft/sec): ________________
- Stack gas temperature (°F): ________________

**OPERATING PARAMETERS**

Operating Schedule: ________________
- Hours/Day
- Days/Week
- Weeks/Year

Type of Material Burned: ________________

Amount of Material Burned:
- Maximum per charge (lb/charge): ________________
- Maximum per hour (lb/hr): ________________
- Maximum per day (lb/day): ________________
- Maximum per year (lb/year): ________________
