

**SACRAMENTO METROPOLITAN AIR QUALITY  
MANAGEMENT DISTRICT**

For agenda of: **March 23, 2006**

To: Board of Directors  
Sacramento Metropolitan Air Quality Management District

From: Larry Greene  
Air Pollution Control Officer

Subject: **Sacramento Area Green Business Program**

Marcy Barnett from the Sacramento County Business Environmental Resource Center (BERC) will be making a presentation to the Board on the Sacramento Area Green Business Program. This program works with local businesses and government agencies to help them adopt "beyond compliance" measures to prevent pollution and conserve natural resources.

Ms. Barnett is the Program Coordinator for this project.

Respectfully submitted,

Larry Greene  
Air Pollution Control Officer
