

# SACRAMENTO METROPOLITAN AIR QUALITY MANAGEMENT DISTRICT

For Agenda of October 26, 2006

To: Board of Directors  
Sacramento Metropolitan Air Quality Management District

From: Larry Greene  
Air Pollution Control Officer

Subject: Report on 2006 State Air Quality Legislation  
2007 Policy Recommendations for State and Federal Legislation and  
Regulation

## **Recommendation**

- 1) Accept Report on 2006 State Air Quality Legislation, including information on AB 32, AB 1870, AB 2804 and SB 1196.
- 2) Adopt 2007 Policy Recommendations for State and Federal Legislation and Regulation as per attached document (Note: 2006 document included for your reference)
- 3) Authorize the Air Pollution Control Officer/Executive Director to act to influence legislative or regulatory actions in a manner consistent with the 2007 Policy Recommendations document referenced in (2).

## **Purpose**

The APCO wishes to report on progress made in the state legislature during 2006 and seeks board approval for proposed changes to the district's legislative platform.

## **Background**

The year-end report highlights key air quality-related legislation that SMAQMD worked on or monitored during 2006. The 2007 Policy Recommendations for State and Federal Legislation and Regulation document would provide staff with necessary guidance to advance clean air legislation at the state and federal levels in 2007.

## **Fiscal Impact**

None.

(over)

### **Next Steps**

With Board approval, staff will continue its work with CAPCOA and myriad governmental, business, community and environmental organizations to advance the legislative platform.

Respectfully submitted by,

---

Larry Greene  
Air Pollution Control Officer/Executive Director
