Subject: Request for an Additional One-Month Extension of Employment Contract  
for Larry Greene, Air Pollution Control Officer

---

**Recommendation**

Approve an additional one-month extension to October 31, 2007 for Employment Contract for the Air Pollution Control Officer.

**Background**

At the July 26, 2007 Board meeting, the Board authorized a two-month extension of the employment contract for Larry Greene, Air Pollution Control Officer, which was due to expire on July 31, 2007. Following the Board meeting, the SMAQMD Budget & Personnel Subcommittee met on August 27, 2007 and a Closed Session was scheduled for the September 27<sup>th</sup> Board Meeting in order to evaluate Mr. Greene's performance during the past year. Based on the outcome of the Board discussion in Closed Session on September 27, a staff report and revised contract will be presented at the October 25, 2007 Board meeting for approval during the Open Session.

It is requested that the Board authorize an additional one-month extension to Mr. Greene's contract in order to allow sufficient time to bring this matter back to the Board for the October 25 Board Meeting. Should the Board approve this one-month extension, the new termination date for Mr. Greene's contract would be October 31, 2007. No other contract terms will be affected by this amendment.

**Fiscal Impact**

None.
