

**SACRAMENTO METROPOLITAN
AIR QUALITY MANAGEMENT DISTRICT**

For Agenda of: September 27, 2007

To: Board of Directors
Sacramento Metropolitan Air Quality Management District

From: Larry Greene
Air Pollution Control Officer

Subject: Request for \$10,000 Sponsorship Funding for CAPCOA "Green Energy"
Conference in September 2008

Recommendation

Approve sponsorship funding in the amount of \$10,000 for CAPCOA "Green Energy" Conference to be held in September 2008.

Background

CAPCOA presently holds conferences which are generally very well attended. Members have proposed scheduling a conference for September 2008 on Green Technology. In order to initiate the work on the conference, funding is needed for start up money. The larger districts have been asked to provide the start up money and I am proposing to assist in that effort by contributing \$10,000 from our budgeted sponsorship account. There is a good likelihood that this money will be returned to the district after conclusion of the conference, but this is not totally certain, as it depends on the conference attendance. It is hereby requested that the Board authorize the expenditure of \$10,000 for the CAPCOA Green Energy conference out of sponsorship funds approved in the FY07/08 Budget.

Respectfully submitted,
