

The chart displays the various permit types within the South Sacramento-Florin Community. The table outlines the categories for the "Other" permit types, providing detailed information.

“Other” Permit Types

Permit Type	# of Permits	Typical Industries
Abrasive Blasting	13	Powder-coating, Manufacturing, Used to strip metal of coatings
Air Pollution Control - Baghouse/Dust Collector	51	Sand and Gravel Operations, Wood Working Operations, Flour handling, Fertilizer Manufacturing, and General dust control at various manufacturing businesses.
Air Pollution Control - Carbon Adsorption/Miscellaneous	9	Soil Remediation, General VOC or Particulate control at various businesses
Air Pollution Control - Oxidizer	3	General VOC control
Air Pollution Control - Scrubber	5	General Particulate or VOC control at various businesses
Coating Operations other than Autobody	65	Coating operations for Wood, Metal, Plastics, etc.
Coffee Roaster	4	Coffee Roaster
Concrete Plant	15	Concrete Storage and Mixing, Gunite, and Stucco
Crematory	11	Human crematories
Degreaser	2	Parts Washers
Dry Cleaning Unit	5	Dry Cleaning processing
Dryer	23	Commercial Laundry Operations

Follow-Up – Rules and Permitting Workshop Table
03/14/2025

85% Ethanol Fueling Operations	4	85% Ethanol Fueling Operations typically located at a gas station
Heaters	4	Used to produce heat
Landfill	2	Landfill gas collection and flare
Manufacturing Process	6	Paint, Cardboard, Particle Board, etc.
Material Handling	14	Flour, Cement, Minerals, Soil, Wood, etc.
Metal Cutting	11	Iron and sheet metal
Mineral Products	5	Clay processing
Miscellaneous	7	CO2 and Hydrogen Production, Chemical manufacturing, etc.
Organic Liquid Storage	1	Solvent storage
Oven/Kiln	15	Drying or curing of coatings on metal products, Bakery
Plating	2	Metal Plating Operations
Fiberglass products manufacturing	2	Production of Fiberglass Parts
Printing Process	6	Printing Industry
Sawdust Handling	3	Wood Milling Operation
Soil Vapor Extraction	4	Soil cleanup
Solvent Cleaning	2	Cleaning of electronic parts
Turbine	1	Non - Powerplant scale electricity and heat production
Welding	2	Radiator manufacturing
