

Rhonda Henderson

Connection to South Sacramento/Florin Community:

I have a threefold connection to South Sacramento/Florin Community. First, I live in North Laguna Creek area which is located in South Sacramento. Secondly, I am the President of North Laguna Creek Valley Hi Community Association (NLCVHCA). Thirdly, I am the Administrative Director of my husband's trucking business (Henderson Trucking, LLC, that operates in the community.

I'm representing:

I represent myself, NLCVHCA, and my husband's trucking business, Henderson Trucking, LLC.

Steering Committee Member Since:

December, 2018

About Me:

I moved into the community after marrying my wonderful husband in 2008 who watched the construction of his first brand new home in North Laguna Creek in 1996 that we now share. My favorite thing about this community is the wildlife habitat and wetlands that lead to North Laguna Creek Park. I particularly fell in love with the many bicycle and walking trails along the wetlands since I like walking and riding my bike with my husband. I am committed to making a difference in my community by carrying out the mission of NLCVHCA to "foster cleaner, safer, and healthier neighborhoods in our community". I want to do what I can to help clean up our air because everyone deserves clean air. I recently took the initiative to purchase a hybrid car to do my part to reduce pollutants in the air.
