DMP for Natoma Valley Subdivision	14	Expected before Board hearing	N/A	N/A	\$280
ESTIMATED PER-ACRE INSPECTION FEE FOR INSPECTIONS THAT CONTINUE AFTER RULE ADOPTION DATE					\$35,140

*Part of this acreage has already been capped and inspection work would not be needed for that acreage. The estimate of capped acreage is 150 acres as of April 11, 2005. The actual fee collected will be based on the actual remaining acreage minus the capped acreage at time of rule adoption.
