

SACRAMENTO METROPOLITAN

Compliance Assistance Advisory

Advisory # 2022-01

Subject: Electronic Report Submittals

Date: February 2022

SUBMIT COMPLIANCE REPORTS ELECTRONICALLY

Save time and paper by submitting all compliance reports to the Sac Metro Air District (District) electronically. Compliance reports include Source Test Reports, Tune up Reports, Quarterly and Annual Reports, and Emission Reports.

E-mail compliance reports to compliance@airquality.org. You will receive an e-mail response immediately if the submission was successful. You can also courtesy copy a specific District point of contact in the same email. Reports should be submitted in PDF form. A paper copy **does not** need to be mailed if reports are submitted electronically.

If you have any questions, email compliance@airquality.org or call 279-207-1122, extension 14.
