

**FORM FLR100 – FLARE OR THERMAL OXIDIZER  
OIL AND GAS OPERATIONS**

Submit this supplemental equipment form (Form **FLR100**) attached to Form **OG100** to permit **Flares or Thermal Oxidizers** that are part of the facility (for newly permitted facilities) or part of a proposed project (for existing permitted facilities adding/modifying equipment). Submit one form for each **Flare or Thermal Oxidizer**. Include manufacturer specifications as an attachment to this form.

**1. Facility Name:**

**Pad Name (as described in Form OG100):**

**2. Flare/Thermal Oxidizer:**

Operator ID (Component ID):

Manufacturer:

Model:  Serial Number:

Mfg. Heat Input Rating:  MMBtu/hr Fuel Type:

Fuel HHV:  Btu/scf Fuel Sulfur Content:  % by weight

Maximum Daily Operation:  MMBtu/day  Hrs/Day

Maximum Quarterly Operation:  MMBtu/day  Hrs/Qtr

Maximum Annual Operation:  MMBtu/day  Hrs/Yr

Date of Installation:

**3. Associated Pilot Burner:**

Pilot Heat Input Rating:  MMBtu/hr Fuel Type:

Maximum Daily Operation:  MMBtu/day  Hrs/Day

Maximum Quarterly Operation:  MMBtu/day  Hrs/Qtr

Maximum Annual Operation:  MMBtu/day  Hrs/Yr
