

SACRAMENTO METROPOLITAN AIR QUALITY MANAGEMENT DISTRICT

777 12th Street, Suite 300 | Sacramento, CA 95814 | Phone: 279-207-1122

EXEMPTION REQUEST FROM AN AIR QUALITY PERMIT TO OPERATE

Company Name:	
Phone:	
Type of Business:	
Facility Location:	
Mailing Address:	
City / State / Zip:	

Prior to submitting this request, please refer to exemption requirements from permitting as specified in **District Rule 201**, General Permitting Requirements. For further details and clarification you may refer to **Permits & Registration Programs** on our website (<https://www.airquality.org/Businesses/Permits-Registration-Programs>) for equipment specific permit application requirements.

Attach a permit exemption proposal including general data about the process such as gallons of coating or solvent usage per day, horsepower rating, size, heat rating, throughput, or other relevant operational information.

Send this exemption request form and supporting exemption proposal documents to permitting@airquality.org for processing.

Certification and Legal Notice

The District may verify the information you provide against manufacturer and/or distributor sales records. This information is subject to provisions of the California Health and Safety Code Sections 42303.5 and 42402(a).

Section 42303.5: No person shall knowingly make any false statement in any application for a permit, or in any information, analyses, plans, or specifications submitted in conjunction with the application or at the request of the air pollution control officer.

Section 42402(a): Any person who violates any rule, regulation, permit, or order of a district is strictly liable for a civil penalty of not more than five thousand dollars (\$5,000).

I, the undersigned, hereby certify under penalty of perjury that the above information is true and correct to the best of my knowledge.
